Excess of Love Jac Lenders 2000-02-23 In the disarmingly prim house shared by a novelist, Michael; his wife, Hilda, whose depravity is matched only by her staggering beauty; and Olive, their maid, occur events to confound the wildest imagination. In his diary, hopelessly yet willingly trapped in this bizarre menage, Michael sets down the day-to-day events that finally lead to a tragic conclusion.

Echo Made Easy Atul Luthra 2012-08-31 This third edition provides an overview of the techniques, principles and clinical practice of echocardiography. Beginning with the basic principles of ultrasound and Doppler, and the clinical applications of various echo-modalities including 2-D echo, M-mode scan, Doppler echo and colour flow mapping, the text also includes an account of different echo-windows and normal echo-views along with normal values and dimensions. The following chapters discuss in detail various forms of heart disease including congenital, valvular, coronary, hypertensive and myocardial, with due emphasis given to potential pitfalls in diagnosis, differentiation between seemingly similar findings, causation and clinical relevance. This new edition features 240 colour images and illustrations, as well as a CD demonstrating various techniques for performing an Echo.
